The image shows a mobile application interface for a Korean language learning app. The top status bar displays the time as 13:43 and 13:42, along with network and battery icons. The app's header is a dark blue bar with a hamburger menu icon on the left, the word 'Account' in the center, and another hamburger menu icon on the right followed by the word 'Home'. The main content area is split into two columns. The left column, titled 'Login' in large blue font, contains a form with two input fields: 'Username or E-mail' and 'Password'. Below these fields is a checkbox labeled 'Keep me signed in'. At the bottom of the form are two buttons: a blue 'Login' button and a grey 'Register' button. A link 'Forgot your password?' is positioned below the 'Register' button. The right column features a large promotional banner with the text 'Saatnya Belajar Bahasa Korea Online' in white, followed by 'Kamu bisa belajar bahasa Korea dari rumah' in yellow. A blue button with white text 'DAFTAR (REGISTRASI)' is centered at the bottom of the banner. Below the banner are two smaller promotional cards. The left card, titled 'Kelas Korean Daily' in yellow, has a red background and a small image of a person. The right card, titled 'Program EPS TOPIK' in yellow, has a teal background and a small image of a group of people. The bottom navigation bar is a light grey bar with five icons: a house icon, a book icon, a speech bubble icon, a person icon labeled 'Account', and a house icon labeled 'Home'. The 'Account' and 'Home' labels are in blue text.
